Subject to program changes, printing & typesetting errors.

ELFIE THE OWL

"Huhuu, huhuu, huhuu" - that's how it sounds from Elfi the owl. "Such a hot day," she mutters to herself. She enjoys her peace and quiet in the star forest. But suddenly, what's going on? A strange smell is in the air, followed by excited children's voices. Elfi rises from her treetop and lo and behold - a new adventure is waiting for you. What role do the water on the rock, the pink handbag and the postcard play? Well, let yourself be surprised and find out.
